All these fact sheets will be sent to Joanne R for inclusion in the briefing book she's compiling for Paul to take home this weekend. Pls send to me by mid-day Fri ~ 12:00 - 2:00 and I will forward to Joanne. She's also including other materials such as recent QFRs and reports that she has readily on file and knows he wants.

Thank you./Audrey

Audrey: One issue that I am not clear on is whether the Qs and As for specific chemicals should be on the fact sheets--and if so, then we need to make sure that the "murder board" questions are not combined with those or are clearly delineated....hope this makes sense.

 Dear All:

I understand there's been some confusion regarding the Murder Board Q&As on key IRIS assessments and I apologize if my directions were unclear. To clarify, we have been asked by Joanne R to prepare the following:

Deliberative Process / Ex. 5

Thank you for all your time and effort. I hope this clears up any confusion and please don't hesitate to ask if you have any further questions.

Sincerely,
